

**Live at St. Mark's:**

**ALEJANDRO  
ESCOVEDO**  
and the  
**Sensitive Boys**

5 PM SUNDAY JUNE 6, 2010

"Escovedo's music can range from full force rock'n'roll to the subtle delicacy heard from a string quartet, sometimes in the same song....That approach has distinguished Escovedo as one of contemporary music's truly original and unique artists, earning him consistent critical hosannas. The breadth and depth of his creativity prompted No Depression magazine to name him its Artist of the Decade." [www.jambase.com](http://www.jambase.com)
